VOLUME XLIII. NUMBER 15.

J. D. Green.

Died—At Ironton, Mo., at the residence of his daughter, Mrs. P. W. Whitworth, on Friday, September 17th, at 9:10 P. M., Mr. J. D. Green, aged 76 years, 6 months and 14 days.

The deceased had been in ill health for three or four years, from Bright's disease, induced perhaps from typhoid fever anterior to its development. Although his years were mature, a promise of longer life was given by his physique and native constitution; but typhus overcomes the strongest.

Mr. Green was born in Henry county, Tenn., February 3d, 1833, where he lived until 1863, when he came to Missouri. When the civil war began he was Superintendent of the Bellwood Iron Works, situated near Fort Donaldson. These works were destroyed by the contending military forces, occasioning Mr. Green's removal to the State which up to his death he knew him as a citizen. Here for the first few years he was associated with Crommer & Evans, in Washington county, in the lumber business, afterward acting as superintendent of the coal and wood department of the Irondale Furnace. Thence he transferred to Iron Mountain, serving as assistant superintendent for fifteen years. When the Iron Mountain works suspended, he went to East St. Louis and was in the Live Stock Commission business until his health gave way—some three or four years ago.

He was married September 21st, 1856, to Miss Judith P. Higgs, of Kentucky, and knew the happiness of married life until 1882, when the devoted wife and mother preceded him to that mysterious realm of which we know so little and from which we hope so much. Of their union ten children were born. Of these eight survive: Mrs. Jos. A. Keyburn (Mary), Ironton, Mo.; Jno. B. Green, St. Louis; Adaline Green, St. Louis; Mrs. P. W. Whitworth (Katherine), Ironton; Mrs. D. M. Blount (Blanche), Chaffee, Mo.; Eugene Green, St. Louis; Mrs. Clarence White (Minnie), St. Louis; and Mrs. M. O. Tabb (Grace), Mt. Pleasant, Texas.

The deceased was a Mason of long standing, holding membership with the Irondale Lodge. Thither his body was conveyed last Sunday, attended by many citizens of this place, and was laid to rest beside that of his wife, with the impressive and solemn rites of Masonry. Peace to his soul and honor to his memory!

A very fortunate runaway occurred last Sunday afternoon, between Edge Hill and Black. Mr. C. A. White was returning from Edge Hill accompanied by

Mrs. White, two children and A. I. Willard. Mr. White was driving a young and spirited team and one of the wheels broke letting the wheel fall on the heels of the horse, which immediately became unmanageable, jumping so that the pole came down and plowed through the ground for several rods, when it caught and broke, freeing the team which pulled Mr. White over the dash board and dragged him a little distance, when seeing that he could not stop them he let them go. Fortunately no one was injured. The horses, which were caught some distance from the scene of the accident, did not get a scratch.

### Order of Publication.

In the Circuit Court of Iron county, Missouri, in vacation—August 14, 1909.

The State of Missouri at the relation and to the use of J. N. Lewis, Collector of the Revenue of Iron county, Missouri, against

Gus. Funk, J. W. Kerr, George P. Miller, the unknown heirs and devisees of George P. Miller, deceased, Henry C. Hart, the unknown heirs and devisees of Henry C. Hart, deceased, Dr. B. H. Zwart, Albert J. Zwart, Rene M. Rouse and Joseph A. Zwart. [Action to Enforce Lien for Taxes.]

Now at this day comes the plaintiff, J. N. Lewis, Collector of the Revenue of Iron county, Missouri, and files his petition and affidavit, setting forth, among other things, that the defendants, George P. Miller and Henry C. Hart are non-residents of the State of Missouri, and that they cannot be served with summons in said state. Plaintiff states that the defendants, George P. Miller and Henry C. Hart, have not been heard of for many years; that plaintiff is not informed whether they be living or dead; that if they be dead their heirs, or if they died leaving a will, their devisees are interested in the subject matter of this petition; that the names of such heirs or devisees, or both, cannot be inserted here-in because they are unknown to plaintiff; that the said George P. Miller and Henry C. Hart were the record owners of an interest in the land described herein, but plaintiff has no information except as herein stated of the nature of the interest and estate in said land owned by said George P. Miller and Henry C. Hart, and, therefore, is unable to particularly describe the same, and that in the event of the death of the said George P. Miller and Henry C. Hart their said heirs and devisees have, by descent or devise, succeeded to the said interest and estate of the said George P. Miller and Henry C. Hart from whom their interest in the property herein described is derived; it is, therefore, ordered by the clerk of the circuit court of Iron county, Missouri, in vacation, that publication be made, notifying said defendants that an action has been commenced against them in the Circuit Court of said county, the object and general nature of which is to enforce the lien of the State of Missouri on the following real estate, situate in Iron county, Missouri, belonging to the said defendants for back taxes for the years 1905, 1906 and 1907, to wit:

All of the west half of lot one (1), and part of the east half of lot two (2)—all in the northwest quarter, section 4, township 30, north, range 3 east, containing 70 acres, situate in Iron county, Missouri.

(An itemized statement in the nature of a tax bill, showing the amount of taxes, interest and costs now due on said real estate for the years aforesaid, amounting in the aggregate to the sum of \$5.39, is filed with said petition, as provided by law.)

And unless they be and appear at the next term of said court, to be holden for the County of Iron, and State of Missouri, at the court house in said county, on the fourth Monday in October next, (1909), and on or before the third day thereof (if the term shall so long continue; and, if not, then before the end of the term), and plead, answer or demur to said plaintiff's petition, the same will be taken as confessed, judgment rendered in accordance with the prayer of said petition, and said real estate, or so much thereof as may be necessary to satisfy said judgment, interest and costs, be sold under a special fieri facias to be issued thereon.

It is further ordered that a copy hereof be published according to law in the IRON COUNTY REGISTER, a weekly newspaper published in said County of Iron, and State of Missouri.

J. M. HAWKINS, Clerk.

A true copy:
